Gardens and Schoolyards

- **Sponsored projects** are projects to improve a school building or site, approved by the District and funded by either the school or the community.
- **Sponsored Projects Process:**
 - Idea or concept to the principal + Sponsored Project Proposal form for review by the principal
 - Principal can recommend (or deny) the project
 - Principal signs the Sponsored Project Proposal form and emails it to Support Services
 - A project manager will be assigned to review the proposal and work with the principal or designee to coordinate approval and implementation
- Sponsored projects season runs from October 1st through April 15th
- After April 15th → placed in a queue for processing after October 1st
